LANGUAGE GROWTH & /ACQUISITION OUTCOMES

Children in a full day Pre-K classroom, with diverse backgrounds to include ethnicity, second language learners, and socio-economic status were the audience for this study.

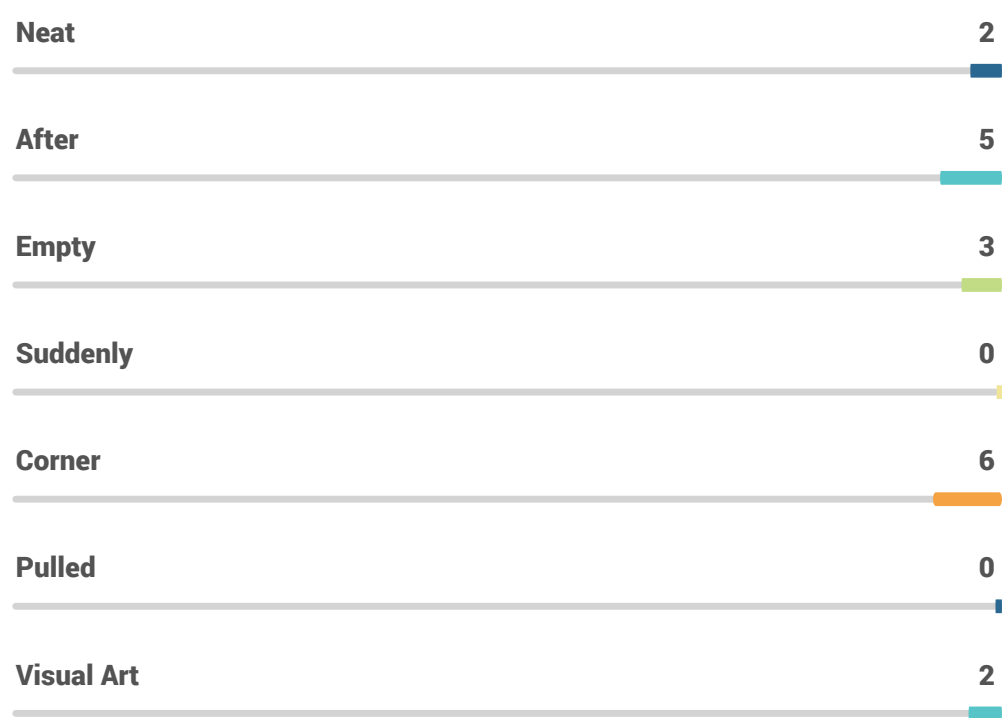

Assessment

Children were given multiple opportunities to hear and engage with the six themes of literacy, language, and arts-integrated activities. The children were given a pre-test to assess the understanding of language per theme beforehand, then were given a post-test to assess language growth after.
